Dam: Xanova Rose Noir

DOB: 16/09/2008

Owned by: Lumineux Kennels

Bred by: R & L Kane

Has been awarded the grading of

PROMISING

Critique:

Scissor bite. Missing 2x PM2. Female has type but head very extreme. Long fine muzzle, rather pinched and lacking in underjaw. Excellent dark eye – expressive. Skull is receding at this stage. Small ears, well carried, sufficiently high set. Prefer more reach of neck. Withers could be more pronounced. Square shape. Little overbuilt at rear for moment. Well angulated rear, moderate in front. Good length of leg. Narrow in fore chest at this stage. Excellent attentive presentation. Very close in front, drops at withers on the move. Good tail carriage.
